

## Webinar | Eight drivers for workforce retention: Strategies for health & care

---

### **At the end of this webinar, you will have discovered:**

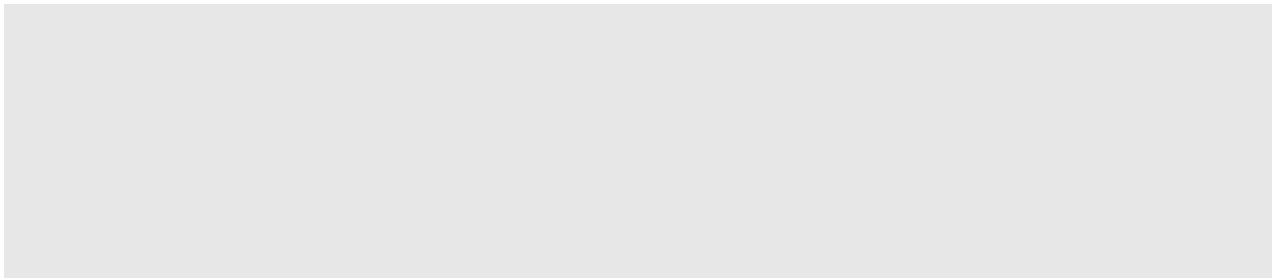

- A framework for workforce retention in healthcare, showcasing practical levers that enable organisations to turn the tide on attrition;
- Examples of these drivers in action, plus additional insights from our Chief Medical Officer and full-time NHS clinician, Dr Na'eem Ahmed;
- How workforce retention strategies for healthcare may have been impacted by changing NHS priorities in the last 18 months.

## Webinar | Eight drivers for workforce retention: Strategies for health & care

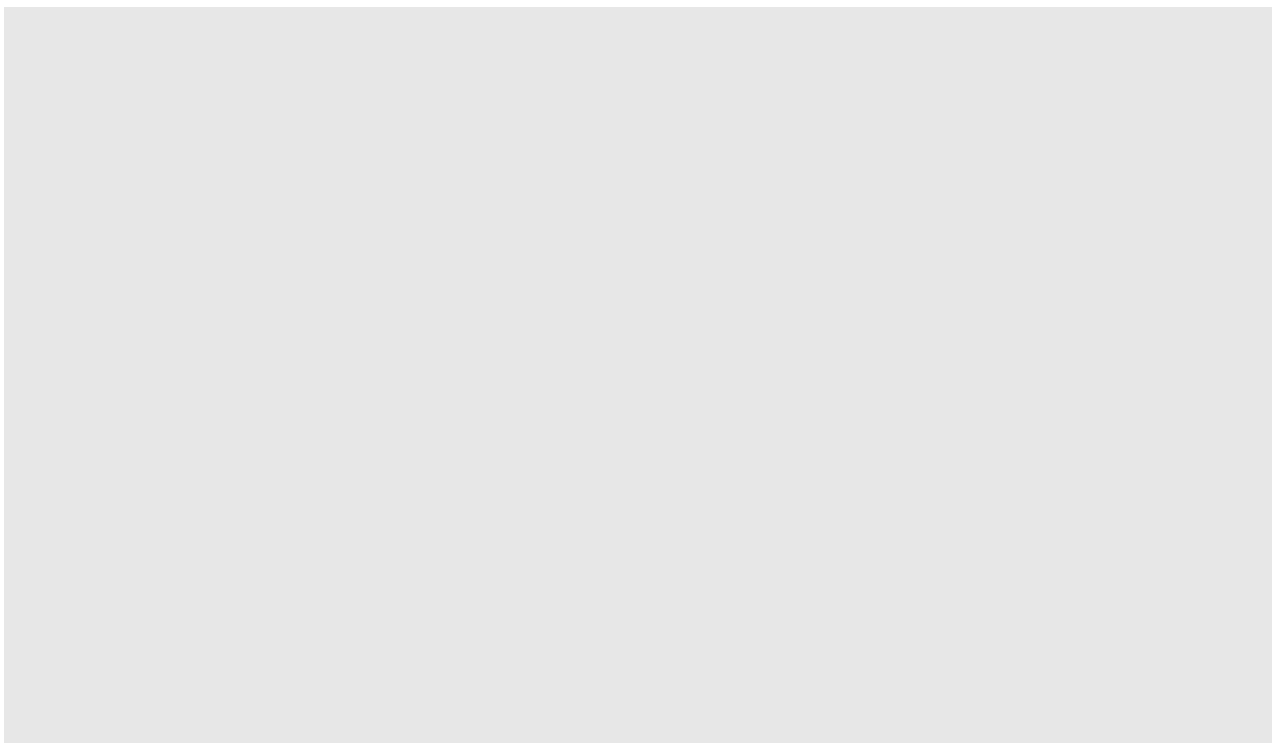

---

**To enable you to consolidate your learning, please reflect on and answer the following questions:**

How do you think organisations can impact retention at a local level and how has your view changed as a result of watching this webinar?

Thinking about the discussions within this webinar, how does your team or organisation support each of these drivers and how could this be improved? LIST THEM HERE
